MESA PANEL DETAILS

The mesa panels provide a 36-inch durable wall coverage with a ridged, S-lock panel joint. As shown in detail A, the mesa deluxe panel, is profiled with two minors centered between the major rib, while the mesa panel is profiled with 3/16” tall ribs and flats. Either panels are available in both zincalume and pre-painted zincalume coated steel. The paint coating consists of a high quality Silicone Modified Polyester (SMP) finish in the colors listed below:

- White
- Light Stone
- Medium Brown
- Dark Brown
- Weathered Copper
- Light Gray
- Dark Gray
- Ocean Blue
- Tahoe Blue
- Brick Red
- Evergreen
- Forest Green
- Denali Green
- Zincalume
- Copper Penny
